Application for Certification of Class Action – Zin Stream

The Company hereby reports, that it was brought to its attention, that an application for certification of a class action (the "**Application**") was filed to the district court in Beer Sheva, Israel, against the Company, the Company's subsidiary Rotem Amfert Negev Ltd, and certain Company present and past office holders, by a number of local residents in the Arava region in the South of Israel (the "**Applicants**").

To the best of the company's knowledge, in the Application the Applicants claim that leakage and seepage of sewage from ICL's Zin site caused various environmental hazards to the Zin stream, which resulted in damage to various groups in the population of Israel, including: the Israeli public whose property is Zin Stream; those who were prevented from visiting Zin Stream due to the environmental hazards; Visitors of Zin Stream who were exposed to the aforementioned hazards and the residents of the area near Zin Stream who were affected by the hazards.

According to the Application, the amount requested for rehabilitation, restitution and compensation cannot be accurately estimated, but is not less than a total of NIS 3,000,000,000 (about \$0.9bn).

As of the date of this report, the Application has yet to be served to the Company. Following its receipt, the Company will respond to the claims within the framework of the legal proceeding.
